Col. J. C. O'Connor.

As a member of the National Guard of this State Col. O'Connor was instrumental in the furthering of many wise measures that tended towards its efficiency, and he must certainly feel great satisfaction in the record the First California Regiment (with which he was so closely identified) is making in the Phillipines. Colonel O'Connor has gained the respect

COLONEL J. C. O'CONNOR

and esteem of all brought in contact with him, for no matter what be the relation, whether of business, in social function, or in any of the many movements of a busy life, he is the same earnest man, governed by high principle, seeking to do his duty, and thoughtful of others. In his attitude in any matter he takes high ground and aims at high standards, and it is natural with him, for it is the result of his training and associations from early years.

Dr. Oscar O. Burgess

Was born in Erie County, New York, in 1831, and received his education in public and private schools. In 1857 he graduated and commenced the practice of medicine in New York. Some years ago Dr.

Burgess traveled extensively in Europe and visited the great medical institutions of that country. Since then he has quietly attended to his extensive practice, making antiseptic surgery his specialty. He is the president of the California State Medical Society, and a leading member of many other medical institutions.

To Visit
San Francisco...

WITHOUT SEEING THE Diamond Palace would be like visiting Europe without seeing Paris. It is a leading feature of San Francisco. It is a marvel of beauty and elegance. It is unquestionably one of the most magnificent jewelry emporiums in the world—the splendid conception of a master mind, a controlling genius. Artistic taste and skill challenge competition here. To be appreciated it must be seen. Every traveler and visitor should go and examine the marvels of genius at.....
